## Access To River To Be Reality

By BILL CHIBA

The state's new Public Access Board has designated five sites for immediate construction, reports Charles H. W. Foster, chairman of the Board, and ground-breaking will take place by the end of October.

Foster said access to the middle

reaches of the Connecticut River, termed by many the most important fresh water fishing area in the state, will be improved by proposed facilities at Bondi's Island, West Springfield and Agawam. He said a launching ramp and parking area capable of serving 50 cars and trailers was advertised for bid on Sept. 17th at an estimated costs of \$34,000. This area is expected to become a popular addition to the recreation facilities of the Greater Springfield region.

The other sites recommended are Salisbury Beach State Reservation which will include a double ramp at a cost of \$33,700; two ramps and parking areas at Sconcut Neck, Fairhaven, and the Westport River, Westport. These will cost an estimated \$11,000 and \$13,000 respectively; Worcester County will also benefit from the initial stages of the state's new access program, Foster said, when more than 500 acres of the Quaboag River complex, including Quaboag and Quacumquasit Ponds, in Brookfield, will be served by new launching and parking facilities. The cost of the project to be \$30,000.

"A-G-A-W-A-M, rah, rah!" is only one of the many cheers heard at the two football rallies which were held last Thursday and Friday. Due to the lack of space and the large school enrollment, two rallies were necessary.

On Thursday, the freshmen and sophomores met in the auditorium and cheered the AHS football players, who were introduced by Coach Leonardi. The sophomore class took the laurels of the class competition cheering.

By Friday school spirit was really mounting and by rally time it was at its peak. The junior and senior classes ran a close competition in the "who yelled the loudest" contest. But the juniors were proclaimed victors and Bobby Swanson, class president, received a candy bar as the prize to the class!

The cheerleaders did a superb job in leading AHS students at both the rallies and the game against Holyoke. They are as follows: Sandy Wein, Joyce Sarat, Jean Daubitz, Linda Pandolfi, Cheryl Caba, Lenora Pupello, and Patty Sullivan. Miss Dorothy Hastings is the advisor to the group. In fact the school spirit was so great, we won the game 14-0!

The Class of '64 will present The Dairy of Anne Frank as their senior play in November. Miss Joyce Marieb will be the director.

Mount Holyoke will be the topic for the career conference on

Wednesday, Oct. 16. Mrs. Lois Megliola, a representative of the school, will be the guest speaker. Any students interested may receive a pass from the Guidance Office.

Coming events: Agawam plays Cathedral Saturday at home! ... PSAT tests will be given October 19.

### South School PTA Meet Wednesday

The South Elementary Parent-Teachers Association will hold its first meeting Wednesday, Oct. 9th at 8:00 p.m. The group will meet the second Wednesday of each month at the South Elementary School. Mr. and Mrs. Nicholas Waytowich, co-presidents will preside at this meeting and the following officers will assist them for the 1963-64 season: Mrs. Dwight Bailey, vice-president; Mrs. Dorothy Bruneau, secretary; and Mrs. Collette Potter, treasurer.

Also the committee chairman: Mrs. Quinto Cimma, Ways and Means; Mrs. Janice Philippe Raiche, membership; Mrs. Angelo Bonomi, hospitality; Mrs. Michael Demko, publicity and historian; Mrs. Charles Maniscalchi, room mothers; Mrs. George L. Cobleigh, Jr., roll call; Miss Francesca Solon, teacher advisor and Mrs. John Crawford, principal.

At the first meeting all new Parents will be welcomed and our guest speakers will be Mrs. Doro-

Mrs. Alda Bedard, in behalf of the Agawam Democratic Women's Club wishes to thank all the people who, through their generous donations helped to make the club's annual fund raising smorgasbord held last Saturday evening a huge success. thy Bruneau and Mrs. Barbara Kimball who will discuss "Elementary Reading and Phonics". At the following meeting will be Paul Monson and his talk titled "India — Yesterday, Today, and Tomorrow" on the new three screens in color. This will be Oct. 18 at 8 p.m. and is the first ways and means project. The calendar for the year will be as follows: Open House, guests speakers from the Agawam School Committee, Mrs. Benjamin Wood, state chairman of Parent and Family Life Education, Maryalys S. ## THE HOT DOG GROWS UP

The ubiquitous hot dog is as American as apple pie. If a person had a penny for every hot dog that graced the picnic fare during the summer, he would be as rich as Croesus. But just because the hot dog is a popular picnic item and is easy on the pocketbook, don't underestimate its nutritional or flavor value. In a double-page color spread, a recent issue of Look magazine suggested a diet of three hot dogs a day for weight conscious readers. Three quarters of the bottom of the spread is illustrated with a mouth-watering, full-color photograph of a hot dog on a bun. The upper quarter of the two pages contains smaller pictures of hot dogs being consumed, including a woman happily spreading mustard on a hot dog she had been served for breakfast in bed.

According to Look, "Compact, nourishing and priced to please, it (the hot dog) appeals to all ages and appetites any hour of the day, can even satisfy as a meal in itself. This diet regimen offers an easy, no-nonsense way to keep your figure under control or to trim it down to size."

The hot dog is just one of the products that has come from a meat producing, packing and distribution industry that has enabled Americans to enjoy the privilege of becoming among the top meat consumers of the world. And it is interesting to note that the meat industry, from the farm to the packer to the dinner table is strictly a competitive free market operation.

So, whether your taste and budget call for hot dogs or T-Bones, you can easily find them at the nearest market—and it seems the hot dog is coming into its own as never before.

given a FREE certificate signed by the seven Mercury Astronauts, designating them as "JUNIOR ASTRONAUTS". These certificates are now available at the local post office.

"Just as the good service rendered by post offices is all-important to the success of school sav-

ings, so is the leadership of postmasters a source of encouragement to teachers, parents, pupils, and the many volunteers who participate in this patriotic thrift program," Mr. Neal wrote. "From your past performance", he added, "I know you will wish to continue your help in stimulating the interest of all these groups, thereby encouraging more school children to participate in the program in the months ahead."

In his own endorsement, Acting Postmaster Alvigini said: "The Post Office Department is particularly proud of the part that they can contribute to the selling of U. S. Savings Stamps through the schools and over-the-counter to the public. The treasury sponsored schools savings program not only promotes practical thrift but also acquaints our young people with their government and their duties and privileges as American citizens. I know of no finer way of training our youth of today in the sound American heritage of thrift."

## SPORTSMEN'S CORNER

By Bill Chiba

The end of confusion has arrived; Bay State anglers will have a single opening day for the start of fishing season next spring. Fishing in streams and ponds will commence on the third Saturday of April. The date in 1964 is April 18, and precedes most school spring vacations.

The decision to set the opening day on the third Saturday of April was made by the state fisheries and game board, following a public hearing held at the Division's Westboro field headquarters recently.

State game director Francis W. Sargent pointed out that trout stocking studies have proven that trout released during periods of high spring runoff are mostly lost and that this prompted the former late opening on streams. However, division policy calls for stocking trout when the waters are ready to receive them, without regard for the season date. Sargent reminded delegates that the Division will continue to stock when the waters are most

suitable; stocking will be adjusted to the condition of the water rather than to the season date. Sportsmen will be kept informed of the status of individual streams.

Despite the bad weather and gale winds battering the fishermen on Martha's Vineyard fish are pouring in to the judges for entry on the lists. 60 Bass and 12 Bluefish were weighed in after the first nine hours of the Derby competition. The adverse weather has socked the fishing boats in the harbors but the fishing has been tremendous. The first full day of fishing produced 81 bass and 15 blues.

The hunting prospects in Vermont are looking brighter and brighter as the days narrow down to the opening of hunting season October 1st. The leaves are falling rapidly and visibility will be excellent in the woods when deer hunting with the bow and arrow opens October 12th. Deer are starting to show in the fields throughout the state with sightings of bucks being more common than in past years. Looks good!

Noel Brown, Agawam Fireman, and this writer are planning to journey north the weekend of the 5th and try our hand at bird shooting. The grouse population in the Green Mountain State is the largest it has been in year. We will also cover all the territory possible reading signs of deer and other animals in preparation for the week of bowhunting we will spend at Maurice Eaton's farm in West Fairlee. The list of bowhunters planning to go to Vermont this year is

## Brownies' Two Touchdowns Too Much for Holyoke

Agawam High won its opener from Holyoke, Saturday, 14-0, before over 3,000 excited fans. Although not considered a title threat, Agawam has started out on the right foot.

Returning - back Bob Morin scored both touchdowns, with bruising contributions by seniors Ed Harashuk and Bob Polepek. Junior quarterback Bill Turgeon, who alternated using Harashuk and Polepek and Morin, also tossed two complete passes of two attempts.

The first Agawam score came after they took over on their 49 yard line, and after Turgeon used his versatile backs flipped a short pass to Morin at the 26 who took it over for the tally. The conversion attempt failed and that was the score at the end of the period.

Holyoke's Dan Bigda returned a kickoff to the Brownie 42, they fell short of a first down at the 33, following running plays by Mike Sanuita and Dan Reed. The drive ended on an incomplete pass by Sanuita.

Bob Morin scored to cap a 66

growing day by day. Locally, the following bow benders are planning the trip: Frank Karakla, Bob Cooley, Harry Schneider, Ralph Davis, Dave Blackburn, Doc Baldwin, Leon Glidden, Dave Cesan, Ruppert Kane, Lyman Hastings, his son Tommy, and Ed Goyette. Doc Pisano will not make the trip due to illness this year. He is looking forward to next year with enthusiasm.

yard drive featuring hard running by Bob Polepek and Ed Harashuk. The conversion attempt by Polepek was good and the score was 14-0.

The defense which held Holyoke to no score and very small yardage, was composed of sophomores who did a remarkable job against an experienced team.

### SQUARE DANCE

By Norm and Dot Jenks

The eighth birthday celebration was indeed a grand one. Over 150 people went there to dance to Chic Bentley and Dick Steele and share in the many events of the evening. A banner was given to the West Springfield Club for having two sets in attendance. A special thank you was given to Clayton and Terry Nelson and their committee for a job well done by our president, Charles Nathan. Recognition was also given to our club caller Dick Steele for having been with the club for six years with the hope that we will have him around for many more years to come. All in all the evening was a tremendous success.

Dick and Winnie Mastriani spent the weekend of the 20th down in that great city of Philadelphia. The occasion was the Delaware Valley Square Dance Convention. Crowded though it was they enjoyed the many activities.

## LEGION AUXILIARY UNIT NEWS

by Virginia Catchepaugh

"I Would Be True expresses the life's purpose or creed of Howard Arnold Walter, the composer. Mr. Walter was only twenty-three years old when this hymn was written. He sent it to his mother and she, recognizing the beauty of the words, sent them to Harper's Magazine where the words appeared first as 'My Creed.' Later they found their way into hymn books and became a favorite with young people everywhere. Mr. Walter determined to hold on to ideals not for selfish reasons, but because there would be those who would be hurt if he failed." National Music Chairman, Mrs. B. M. Jarrett.

Regular Unit meetings will be held on Oct. 7th and October 21st at 8 p.m. at the Legion Home.

A joint installation of Post and Unit 185 officers will be held at

the Agawam Junior High School at 7:30 p.m. on Oct. 25th. Unit Installation Chairman is Mrs. Anna Bissonnette. Invitations have been sent to various local organizations, and the affair is open to the public.

The annual Fall Conference will be held at the Somerset Hotel in Boston on Nov. 2nd. Unit President Jane Whalen is planning to attend as guest of the Auxiliary.

Agawam Unit will assist at the Leeds Hospital Gift Shop in December. Chairman Anna Bissonnette would like the names of some volunteers to help in this work.

## Lioness To Start 7th Season Monday

# "THE PACKAGE STORE STORY"

Massachusetts State Laws require a package store license be awarded by the License Commission on a ratio of: (1) one package store license for every 5,000 increase in the population of a town.

## LET'S LOOK AT THE RECORD

YEAR AGAWAM POP.

1950 10,166

1955 13,177

1960 15,718

1965 ?

My opponent took a stand against issuing a license, but a package store license was granted.

Population increases in a five year period of 3011 persons. Not enough to issue a package store license.

Population increase over a ten year span of 5552 persons. Just enough to grant a package store license. My opponent reversed his previous stand against issuing a license and voted along with a Republican Selectman for the granting of this package store license.

Projected population figures from decline in building permits indicate not enough of an increase in population to warrant issuing a package store license.

There Will Not Be A Package Store License Available  
Until 1970 Population Census At The Earliest.
